COMMITTEES AND COUNCILS

Getting involved within the association is a wonderful benefit and joining a committee or council can help you do just that! There are a number of committees that get together a few times a year to help plan annual events such as the HBA Golf Tournament, Home & Garden Show, Parade of Homes and Fishing Tournament. The Remodelers council meets monthly to discuss the ongoing development, research and promotion of remodeling efforts within the local housing industry and HBA.

GOVERNMENT AFFAIRS

With your support and feedback, our staff lobbies on all levels of government to protect affordable housing and your business. The Government Affairs office at the HBASC works diligently to advance the issues most important to the homebuilding industry. In 2015, they successfully opposed mandated residential fire sprinklers in the building code which amounted to over \$180 million in annual savings. The HBASC also passed a budget proviso for state-specific high wind and seismic zone mapping for over \$150 million in annual savings and supported legislation to prevent enforcement of erroneous building code section requiring fireproofing of floor joists in crawlspaces for over \$25 million in annual savings.

EVENTS, NETWORKING & EDUCATION

Members have plenty of chances to meet other members locally, across the state, as well as our legislators, at our events. We also provide continuing education to help you grow your business. Some of our events include, Builder-After-Hours Networking, Clay Shoot, Golf Tournament, Oyster Roast, Fishing Tournament and Holiday Hoedown.

MEMBER BENEFITS

Being a member of the Hilton Head Area Home Builders Association comes with some great cost-saving benefits. The added advantage to most of these benefits is that they can be passed down to your family and employees. Our Member Rewards Card is a local discount card provided annually to active members. Use your card and start saving on everyday purchases like lunch, accommodations, auto maintenance and much, much more!
